

In the Drawings:

Pursuant to the approval of the Examiner, please replace drawings sheets 1-5 with the replacement sheets attached hereto. As replacement sheet 1 simply adds elements recited and explained in the specification and claims, it is respectfully submitted that no new subject matter has been added by virtue of the replacement sheet. Replacement sheets 2-5 simply label the angles  $\alpha_A$ ,  $\alpha_B$ ,  $\alpha_C$ , and  $\alpha_D$ . As the angles were inherent in the figures as originally provided to one of ordinary skill in the art and specifically described in the written description, it is respectfully submitted that replacement sheets 2-5 do not introduce new subject matter.
